Project Office India

Dated : 15-10-2003

TO WHOMSOEVER IT MAY CONCERN

The supply and construction of Raipur-Kanaktura section of 400kV D/C Raipur-Rourkela Transmission Line was awarded to us by M/s Power Grid Corporation of India Ltd.

The supply of Insulator Hardware was sub-awarded to M/s Asbesco (India) Pvt Ltd, Kolkata. The supplies were made on schedule and the line was commissioned on 9th October 2002. There has been no adverse report from our Customers and our Site Office on the performance of the hardware.

The details of materials supplied by M/s Asbesco (India) Pvt Ltd are as given below :

Purchase Order No and Date	Project Designation	Item Designation	Qty (Sets)	Date of Commissioning
